MAG26D361

Magnum TrueCoat 360 Cordless Connect Drill Sprayer, EMEA

The latest breakthrough in airless paint sprayers, the TrueCoat 360 Cordless Connect Drill Sprayer. Unlock professional painting results with the convenience of cordless operation - attach your own cordless drill/drive or impact drill and you're ready to paint.

360-Degree Spraying: VacuValve technology creates an airtight system to spray in any orientation, even upside down, without loss of prime.

Professional Finish: High-pressure stainless steel piston pump allows most paints and stains to be sprayed untinned for a smooth, professional result.

FlexLiner Bag: Replaces conventional paint cups for quick cleanup and allows for reuse or recycling of the bag.

Reversible Spray Tip: Quickly releases a clogged tip, allowing you to continue spraying with minimal interruption.

Compact & Portable: The design is stable and low-profile, making it easy to maneuver for various projects.

Suitable for DIY: Perfect for small household tasks, touch-ups, and reaching hard-to-access areas.

Ideal Uses Doors and trim, Walls and fences, Outdoor furniture, Garage doors, and Touch-up painting.

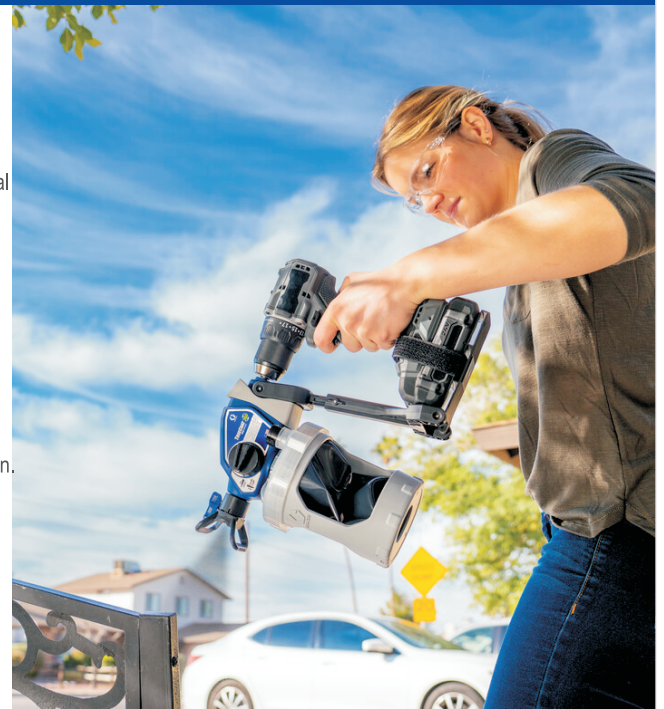

Important Specifications: Annual Use: Up to 95 Liters per year. Paint Type: For water-based paints only.

Accessories:
